3.1. Admin >> SMA Management

3.1.1. Filter Area

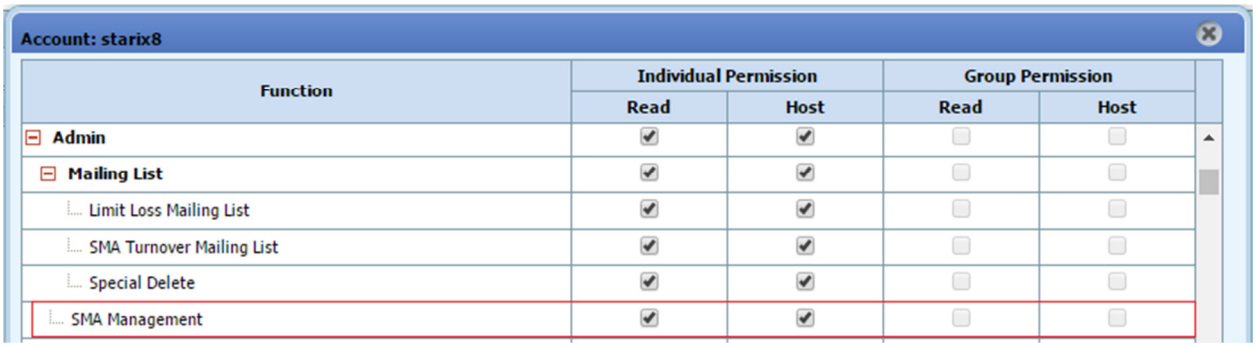

- Add 2 more fields Headline Type and Owner Username for filter by specific information
- Add more checkbox “Exclude Test Accounts”: this is for our Starix team testing purpose. By default it is unchecked to not query UUS accounts.

3.1.2. Data grid result

- Add more column “Headline Type”
  - Display the current headline type of a group headline
  - Allow user to edit headline type Normal or VIP by click on “Edit” icon
  - Initial headline type is Normal for all group headlines at the launch.
- Add more column “Owner”
  - Display the current owner of a group headline
  - Allow user to edit owner by click on “Edit” icon. The owner username must be a valid account that is existing in system.
  - If there is any change/delete on group headline, the owner will be removed

3.1.3. User pemission control

– Both actions of update Headline Type and Owner are authorized based on host permission of SMA Management function.

– If the admin user only has read permission of SMA Management, the grid will not display "Edit" icon on Headline Type and Owner columns
