Account Info >> Edit Commission

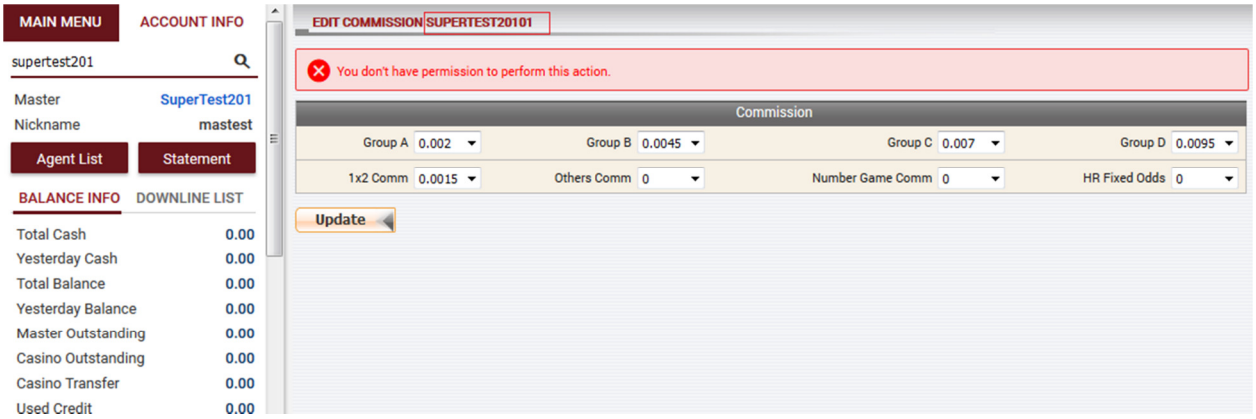

- User login by super account (supertest2)
- User searchs his master supertest20101 on Account Info and go to page edit commission

- By anyway user can catch up the request replace information of **master Supertest201** by **agent Supertest20101**
- He tries to change commission rate for agent Supertest20101
- Current issue is system allows to change successfully

- Fix the issue so that system does not allow to change commission value with the message shown: *You don't have permission to perform this action.*

- **Goals:** Fix the backend not to allow SMA can edit information for their indirect downline.
